

STEPS TO ENROLL

HOW TO BECOME AN MCC STUDENT

To help you become an MCC student we created the NEW STUDENT CHECKLIST. This handy online checklist, outlined below, contains all the steps you need to complete before your first day of class. It will guide you through the enrollment process, track your progress as you go and help you make sure you don't miss anything. Enroll today by completing our step-by-step new student checklist found on our website.

☐ 1. EXPLORE OUR PROGRAMS

Whether you're seeking an associate's degree, a certificate in your field, transferring to a four-year university, or you just want to take classes for personal satisfaction, we've got a program to suit your goals.

→ mesacc.edu/programs

☐ 2. PRE-FINANCIAL PLANNING

The pre-financial planning process includes early research, education and discussion with financial services staff and others regarding college resources and opportunities available to assist students in paying for college.

→ mesacc.edu/checklists/new-student/prefinancial-planning

☐ 3. CREATE YOUR STUDENT ACCOUNT

Establish your Maricopa Enterprise ID (MEID). With your MEID you'll be able to access the entire online community at MCC, including the Online Student Center, your online classes, your personal MCC email account, Financial Aid, and more.

☐ 4. BE ADMITTED TO MCC

The admissions process at MCC is a breeze. Just fill out the online Student Information Form and retrieve your Student ID number and you're officially admitted to the college. It's that simple.

☐ 5. FILL OUT YOUR FAFSA

If you're interested in paying for college with the help of federal financial aid, you'll need to submit a Free Application for Federal Student Aid (FAFSA) form. You will need to re-apply each year.

→ fafsa.ed.gov

☐ 6. TAKE PLACEMENT TESTS

If you plan on getting a degree, or you plan on taking college-level English, reading, or math at MCC, you'll need to take placement tests before you can register for classes.

→ mesacc.edu/testing-services

☐ 7. SEEK ACADEMIC ADVISEMENT

It's important to connect with an academic advisor. Together you'll discuss your education goals and explore the options available to you at MCC. You'll choose a program of study, determine which classes to take, and find the campus resources you need.

☐ 8. FINANCIAL AID & SCHOLARSHIPS

You may qualify for financial aid that you don't have to pay back. You've already filled out your FAFSA, so the next step is to explore your financial aid options such as scholarships, grants, student loans and work study.

☐ 9. REGISTER FOR CLASSES & ORIENTATION

To get registered, simply follow the steps in the link below. If you're not sure which classes to take, contact an advisor. New Student Orientation is a great way for you to get a feel for campus life at MCC. In just two hours, you'll learn all about the college, meet other students and faculty, and get a sense of where things are located.

☐ 11. SET UP YOUR STUDENT EMAIL

Receive important information from MCC. Stay in touch with classmates. Correspond with instructors. These are just a few things you'll do with your MCC email account.

➔ google.maricopa.edu

☐ 12. GET YOUR TEXTBOOKS & STUDENT ID

Buy or rent your books the easy and convenient way, with the MCC online bookstore. Simply log in to your Student Center, and with a single click, you're able to access a list of every book you'll need for all the classes you're taking. And finally, stop by your campus to get a student ID card (you'll need a valid photo ID, such as a driver's license).

Now that you've successfully completed your steps to enroll the only thing left to do is go to your first class. Students who attend the first day of classes are often most successful.

Congratulations, and welcome to the MCC family.
